You've never really seen the East River until you've seen it from your 72-square-foot private glass balcony. In addition to stunning views, this duplex in the Edge complex comes with a home office and a living room with 18-foot ceilings (and floor-to-ceiling glass windows to go with it). The doorman building features a 40,000-square-foot amenity space with a year-round open-air pool. **Agent: Highlyann Krasnow, The Developers Group, 718-222-0211**
